Secretary & Correspondent, NIMRA Educational Society

Two decades of dedication

Nimra Educational Society (NES), a Minority body established in the Year 1991 with a view to promote general, technical, medical and other professional/scientific education among the general masses, regardless of their caste, creed and community is celebrating its 20th anniversary this year. During this period spanning two decades NIMRA group of colleges grown many fold and evolved as symbols of academic excellence in higher education in the state of Andhra Pradesh especially in the Coastal region. The main objective is to make education reachable and affordable to the poorest of the poor.

The Society firmly believes that education alone can unite one and all and can develop sound economy for the country. Thus, in order to achieve this aim, The Society has established various Institutions offering courses in B.Tech, M.Tech in Engineering, B. Pharmacy, M.Pharmacy, MBA & MCA. The achievements of NIMRA group of colleges and the tremendous advancements made by its students in different walks of life stand as grand testimonials to its stupendous success during the last two decades.

NES has established 5 Engineering, 1 Pharmacy, 1 Business Management College and has an intake of more than 3500 annually which makes Nimra Educational Society one of the biggest and the most trusted name in the field of Education not only in the coastal Region but throughout the State of Andhra Pradesh.

A renowned team of Architects have designed the Nimra Vijayawada campus layout just 17 km from Vijayawada after studying the natural topography, weather conditions of extreme summer and so on. Spread over a vast area with ultramodern facilities, spacious laboratories, workshops, computer labs and separate academic block for each department with best faculty, infrastructure and facilities of international standards. On this occasion of our **20th anniversary** we once again take pledge to take forward many more students in the path path of progress
